

# Entre Almas

Presented by Alma Flamenca Dance School and Performance Company  
Brighton Performing Arts Theatre, Saturday 10 August 2019

This show is inspired by the dedication and hard work of the Alma Flamenca Dance School students themselves. Entre Almas realises the idea to provide the entire school with a professional platform to showcase their repertoire. It is an opportunity to celebrate the achievements of all dancers across all levels at our school, and the fact that, for all of us, Flamenco is a powerful channel for the soul to express.
